# All Creatures Of Our God & King

All creatures of our God and King  
Lift up your voice and with us sing  
Alleluia, Alleluia

Thou burning sun with golden beam  
Thou silver moon with softer gleam  
Oh praise Him, oh praise Him  
Alleluia, Alleluia  
Alleluia

Thou rushing wind that art so strong  
Ye clouds that sail in heaven along  
Oh praise Him, Alleluia  
Thou rushing morn in praise rejoice  
Ye lights of evening find a voice  
Oh praise Him, oh praise Him  
Alleluia, Alleluia  
Alleluia

All ye who are of tender heart  
Forgiving others take your part  
Oh, sing ye, Alleluia  
Ye who long pain and sorrow bear  
Praise God and on Him cast your care  
Oh praise Him, oh praise Him  
Alleluia, Alleluia  
Alleluia

Let all things their Creator bless  
And worship Him in humbleness  
Oh praise Him, Alleluia  
Praise, praise the Father, praise the Son  
And praise the Spirit, Three In One  
Oh praise Him, oh praise Him  
Alleluia, Alleluia  
Alleluia

# Your Love Never Fails

Nothing can separate  
Even if I ran away  
Your love never fails  
I know I still make mistakes  
But You have new mercies for me everyday  
Your love never fails

You stay the same through the ages  
Your love never changes  
And may be pain in the night  
But joy comes in the morning  
And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails

The wind is strong and the water's deep  
I'm not alone in these open seas  
'Cause Your love never fails  
The chasm is far too wide  
I never thought I'd reach the other side  
'Cause Your love never fails

You stay the same through the ages  
Your love never changes  
There may be pain in the night  
But joy comes in the morning  
And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails

You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good

You stay the same through the ages  
Your love never changes  
It may be pain in the night  
But joy comes in the morning  
And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails

# Jesus We Love You

Old things have passed away  
Your love has stayed the same  
Your constant grace remains the cornerstone  
Things that we thought were dead  
Are breathing in life again  
You cause your Son to shine on darkest nights

For all that you've done,  
we will pour out our love  
This will be our anthem song

Jesus we love you  
Oh how we love you  
You are the one our, our hearts adore

The hopeless have found their hope  
The orphans now have a home  
All that was lost has found its place in you  
You lift our weary head  
You make us strong instead  
You took these rags and made us beautiful

For all that you've done,  
we will pour out our love  
This will be our anthem song

Jesus we love you  
Oh how we love you  
You are the one our, our hearts adore  
Oh, Jesus we love you  
Oh how we love you  
You are the one our, our hearts adore  
Our hearts adore  
Our hearts adore

Our affection, our devotion  
Poured out on the feet of Jesus  
Our affection, our devotion  
Poured out on the feet of Jesus  
Our affection, our devotion  
Poured out on the feet of Jesus  
Our affection, our devotion  
Poured out on the feet of Jesus

We love you  
Oh how we love you  
You are the one our, our hearts adore  
Jesus we love you  
Oh how we love you  
You are the one our, our hearts adore

# How He Loves

He is jealous for me  
Loves like a hurricane  
I am a tree bending beneath  
The weight of His wind and mercy  
When all of a sudden  
I am unaware of these afflictions  
eclipsed by glory  
And I realize just how beautiful You are  
And how great Your affections are for me

And oh how He loves us  
Oh, oh how He loves us  
How He loves us all

And He is jealous for me  
Loves like a hurricane  
I am a tree bending beneath  
The weight of His wind and mercy  
When all of a sudden  
I am unaware of these  
afflictions eclipsed by glory  
And I realize just how beautiful You are  
And how great Your affections are for me

And oh how He loves us  
Oh, oh how He loves us  
How He loves us all  
Yeah, He loves us  
Oh, how He loves us  
Oh, how He loves us  
Oh, how He loves

We are His portion  
And He is our prize  
Drawn to redemption by the grace in His eyes  
If His grace is an ocean, we're all sinking  
When heaven meets earth  
like an unforeseen kiss  
And my heart turns violently inside of my chest  
I don't have time to maintain these regrets  
When I think about the way that He loves us

Yeah, He loves us  
Oh, how He loves us  
Oh, how He loves us  
Oh, how He loves  
Yeah, He loves us  
Oh, how He loves us  
Oh, how He loves us  
Oh, how He loves

# I'll Fly Away

Some glad mornin' when this life is over  
I'll fly away  
To a home on God's celestial shore  
I'll fly away

I'll fly away, oh, glory  
I'll fly away  
When I die, Hallelujah, by and by  
I'll fly away

When the shadows of this life have grown  
I'll fly away  
Like a bird from prison bars has flown  
I'll fly away

I'll fly away, oh, glory  
I'll fly away  
When I die, Hallelujah, by and by  
I'll fly away

Just a few more weary days and then  
I'll fly away  
To a land where joy shall never end  
I'll fly away

I'll fly away, oh, glory  
I'll fly away  
When I die, Hallelujah, by and by  
I'll fly away
